Sound Training College (STC) COVID-19 Update, June 30th 2020

Here at STC, we are busy preparing a safe environment for students and staff before we re-open. We are working hard to maintain and protect the unique STC student experience while focusing primarily on health and safety guidelines.

We are all excited about the new term. We look forward to seeing you all again and welcoming our new students.

For now, it's back to installing sanitising stations and setting up one-way systems!
